Cabernet Sauvignon

Deep ruby red in color, displaying red fruit aromas with slightly smoky notes, this medium to full body cabernet sauvignon boasts firm tannins followed by a long and pleasant finish. This vegan friendly wine is produced using certified organic grapes by a fair trade certified vineyard. Best served at room temperature.

Carmenerere

This hand-picked Carmenerere presents itself with a brilliant and deep purple, red color in the glass. On the nose there are fresh and fruity aromas, which are accompanied by spicy notes of green pepper. This vegan friendly wine is produced using certified organic grapes by a fair trade certified vineyard. Best served at room temperature.

Chardonnay

Bright golden yellow, clean and bright fruit aromas abound; soft floral notes with a touch of oak highlights the smooth acidity and elegant finish of this chardonnay. This vegan friendly wine is produced using certified organic grapes by a fair trade certified vineyard. Best served chilled.

Malbec

Deep purple red in color, displaying aromas of blackberry, plum and violet flowers with a hint of vanilla, this soft and juicy Malbec leads with cherry notes, toffee hints followed by a long and pleasant finish. This vegan friendly wine is produced using certified organic grapes by a fair trade certified vineyard. Best served at room temperature.

Merlot

Deep and bright ruby red color, displays ripe red fruit aromas; Soft and well balanced in the mouth with round tannins and a long, complex finish. This vegan friendly wine is produced using certified organic grapes by a fair trade certified vineyard. Best served at room temperature.

Sauvignon Blanc

Light yellow with green shades, this crisp sauvignon blanc promotes a great balance of citric aromas and mineral notes which showcases the typical freshness of the variety with a long and subtle finish. This vegan friendly wine is produced using certified organic grapes by a fair trade certified vineyard. Best served chilled.
